## THE EASY, FLEXIBLE, SECURE PAYROLL SOLUTION

If your business has employees and you're looking for the easiest way to pay salaries, then Sybiz Visipay with Human Resource Management is the Australian standard for productivity and ease of use.

Suitable for up to 500 employees, this payroll solution caters for a wide range of businesses. The benefits of using Sybiz Visipay include the ability to customise staff types and pay items, record staff reviews, leave and training, and generous flexibility in the payment of wages and superannuation contributions.

## SYBIZ VISIPAY BENEFITS INCLUDE:

### Employee Explorer Facility

A unique feature is Sybiz Visipay's use of coloured visual cues in the Employee Explorer enabling you to monitor payment status at a glance. A green icon is displayed beside paid employees, a red icon beside those who have not been paid and a brown icon beside employees who have left. An option to substitute the coloured icons for black symbols is available for colour blind users.

### Comprehensive Employee Record Keeping

No more hunting through filing cabinets and folders for employee data. It's all available at the click of a button. Expand this facility even further with the Sybiz Visipay HRM module!

### Sybiz Visipay HRM (Human Resource Management)

Successful businesses demand well informed management and the retention of talent. Sybiz has developed the new HRM module to take away the pain of staff administration paperwork – enabling you to get the most out of your people. This module seamlessly integrates with Sybiz Visipay.

*A PDF brochure is available on request or simply visit [www.sybiz.com](http://www.sybiz.com).*

### Seamless Integration with Sybiz Vision

Sybiz Visipay has been designed for seamless integration with our Sybiz Vision accounting software, ensuring data is automatically transferred and updated when processed, negating the need for double entry and freeing up valuable time. Sybiz Visipay also integrates with Sage Pastel Evolution.

## THE EASY, FLEXIBLE, SECURE PAYROLL SOLUTION

### Export and Import

Export employee data to Microsoft® Excel or other spreadsheet programs where you can perform your own data manipulations.

### Unlimited Scope

Sybiz Visipay enables you to pay your employees in any combination of weekly, fortnightly or monthly frequencies and across multiple pay periods. The Standard Pay facility means you don't have to re-enter entire transactions every pay period.

Pay Item	Quantity	Rate	Taxable	Non-Taxable	Deductions
Normal Pay	160.0000	22.3430	3,574.88		
Car Allowance	1.0000	100.0000	100.00		
Ethics Tax	1.0000	12.0000			12.00
Use of Laptop/Computer	1.0000	35.0000		35.00	
Car Parking	1.0000	65.0000		65.00	
Rounding of Pays	1.0000	0.0190	0.01		
PAYG Tax					823.00
<b>Totals</b>			<b>3,674.89</b>	<b>0.00</b>	<b>823.00</b>
Net Pay before Superannuation					<b>2,851.89</b>

### Customised Payslips and Security Envelopes

Customise your payslips and create a professional image for your business. Whether it's to fit your existing stationery or to include your company logo, the Sybiz Visipay Payslip Editor will help you achieve exactly what you want. You can even email payslips with password protection directly from the software!

### Wide Range of Reports

Keep your finger on the pulse of your business by using the Sybiz Visipay report feature to display critical information. Create your own special reports by using popular report writing tools. We have a number of Sybiz Third Party Developers who can design specific reports for your business needs.

### Interface with Time-Keeping Software

Sybiz Visipay can be integrated with most time-keeping software, eliminating the need to recapture employee information.

### Additional Benefits

- Improve efficiency with the Batch Pays facility
- Save keying time by importing time sheets
- Make FBT a breeze with the Fringe Benefits facility
- Create detailed reports with the Departmental Costing facility
- Simplify end of period reporting with Report Sets
- And a whole lot more...

### System Requirements

The minimum requirements to run Sybiz Visipay are:

- A computer with a CD-ROM drive, running Microsoft® Windows 98, Windows NT4 SP6, Windows 2000 or Windows XP Professional (please note, this software will not install on Microsoft Windows XP Home Edition or Microsoft Windows ME operating systems)
- 32 MB of RAM (128 MB recommended) and 256 screen colours at 800 x 600 pixels
- Pentium 400 MHz processor
- 100 MB hard disk space
